AUTONOMOUS

Department of Civil Engineering

NECG/CE/CIR/F.NO.20/2021-22

Date: 02.06.2022

CIRCULAR

It is hereby informed to all II Year, III Year & IV Year B. Tech Civil engineering students that, a **“National Level Technical Symposium.”** will be conducted on 18th June 2022 at ME Seminar Hall by the Resource persons Sri. **G.V.RAMIREDDY**, Superintending Engineer, Rural Water Supply Engineering Dept. Nellore. In this regard, it is strictly instructed to the students to attend this program without fail.

HOD

**Department of Civil Engineering****REPORT**

A Brief Report of **National Level Technical Symposium.**

Name of Department/ Organizer :	Civil Engineering Department
Date :	18/06/2022
Venue :	Mechanical Department Seminar Hall
No of Participants :	68 + 82

• Objective of the Event:

The objective of the event was to felicitate the function about **National Level Technical Symposium 2022** and the Role of community groups is to ensure effective and participatory implementation of the function.

• Brief information about the event:

Department of Civil Engineering and mechanical engineering combinedly has arranged a **National Level Technical Symposium** on 18/06/2022. The Expert of the function was Sri. **G.V.RAMIREDDY**. Superintending Engineer, Rural Water Supply Engineering Dept. Nellore, he taught to students about Rural water supply is a wing of panchayat raj department, under the rural development ministry of Govt. of India. Water Supply in India is now previewed as community based demand driven system, under which it is essential to enhance capacity of local community residing in villages and small towns to develop and manage their own water supply systems. Sixty eight students from the civil engineering department were attended. The Program was started with inauguration ceremony followed by introductory speech of Principal **Dr. V. Raviprasad**. The session was ended with valedictory function in presence of Dr. V.RAVI PRASAD, Principal, Vice Principal K. VISWAKSENA REDDY, Prof. K. YUGANDHARA REDDY, HOD of Civil Engineering and Mr. K. Siva Kumar Associate Professor of Civil Engineering Department.

• Outcome of the Event :

At the end of the Technical Talk, students feedback were taken which was indicate that the students were confident enough to the Role of community groups is to ensure effective and participatory implementation of water supply system in their village/town, water quality control, financial management and effective operation and maintenance of water supply system established.

Eligibility
B.Tech, M.Tech
Diploma

In Association with
Indian Concrete Institute

Organized by
Cranes Student Association

Convener

Prof. K. Yugandhara Reddy
HOD of CE
Ph : 9392901096

Faculty Co-Ordinators

Mr. K. Siva Kumar (9948836114)
Mr. D. Sumanth (7989044254)
Mr. R. Ranjith (9698497421)

Student Co-Ordinators

Ch. Sankar (9014102714) V. Saiuma Sankar (7382219130)
M. Rajakumar (8297229832) G. Prasanth (6309430142)
V. David (7337429343) M. Amarnadh (6301975119)

Lightening the Holy Lamp

Chief Guest addressing the Gather

Felicitation to the Chief Guest

Honoring the Civil HOD

Principal delivering the lecture

Resource person delivering the lecture

Mechanical HOD delivering the lecture

Gathering the students and staff.
