TEACHERS DAY CELEBRATIONS

05-09-2022

LATEST

National Teacher's Day in India is observed on 5th September every year. It is a very important and special day in the lives of Teachers and Students. This day commemorates the Birth Anniversary of **Dr Sarvappalli Radhakrishnan** who was the first Vice-President and Second President of India. This day is celebrated with much enthusiasm by the students to make the day even more memorable for their teachers. Most students gather in their respective schools, colleges and other institutes of education to participate in the **Teachers Day 2022** Celebrations.

Teachers Day History

Teacher's Day in India is celebrated on the 5th of September since 1962 when Dr. Sarvappali Radhakrishnan was approached by some students to seek permission to celebrate his birthday. In return, he asked it to be called and celebrated as Teacher's Day. "Instead of celebrating my birthday, it would be my privilege if September 5 is observed as Teachers' Day," Dr Radhakrishnan said in 1962. Thus, every year Teacher's Day in India is celebrated on the 5th of September with warmth and excitement.

Who was Dr Sarvapalli Radhakrishnan?

Dr Sarvapalli Radhakrishnan was always admired and respected by his students at Presidency College, Chennai and the University of Calcutta where he taught Philosophy. He believed that true teachers help students to think rationally and independently. **Dr Sarvapalli** once said, "The end-product of education should be a free creative man, who can battle against historical circumstances and adversities of nature," and he believed that teachers play a vital role in shaping the minds of the younger generation.

Why Teachers Day is Celebrated?

Teachers' Day 2022 in India is celebrated on 5th September. However, Guru Purnima is another day dedicated to the Teachers in India and this year it was celebrated on 13th July 2022. This day is celebrated to honour the contribution and impact of the teachers in the lives of the students. As the teachers are responsible for imparting education along with values and ethics to students, their importance in the student's life rises as high as the parents and elders. The teachers become the most important and sometimes the first role model or figures of inspiration in their life. This signifies the importance of celebrating Teacher's Day. moreover, in India, the teacher-student relationship has been very pious and dignified since ancient times which further adds to the celebrations.

How is Teachers' Day Celebrated in India?

Every year on Teachers' Day, students celebrate this day with great enthusiasm and excitement. Students offer gifts, flowers, chocolates, and greeting cards to their teachers as a token of appreciation and respect for the guidance and mentoring they have provided to the students. In most schools, students organise performances including dance, singing, poetry recital and others to show their gratitude.

Teachers Day 2022 Theme

The theme for **National Teachers Day 2022** in India is – **शिक्षक: बढ़ते संकट के बीच भविष्य की नई कल्पना** (Teachers: leading in crisis, reimagining the future). The theme is self-explanatory for Teachers Day 2022 as with rising health, social environmental and various issues, teachers play a vital role in guiding and preparing the younger generation to be equipped with the knowledge to deal with them. Moreover, teachers need to promote free and creative things among their students to come up with out-of-the-box solutions for the pertinent problem in the nation and world.

Teaching is considered as one of the noblest professions as it contributes a greater educated population to the world. Only educated work forces can bring-up the nation. Teachers are the ones who choose their careers to spread knowledge and wisdom. A teacher not merely teaches the students about lessons in textbooks, but mold a child to a socially responsible person. They are the true inspiring sources and vision to the world of education.
