

CRANES Student Association

Report on Model Expo

(07/02/2020)

A Model Expo program was conducted at the Dept of Civil on Friday, 07th February 2020, under CRANES Student Association in Department seminar hall. Dr.A.V.S.Prasad, Director of Narayana group of Institutions is the chief guest for this program. In his speech he said that Civil Engineering is the only group that had no unemployment. He motivated the students in many aspects and encouraged them to participate in these kind of programs. Mr.D.Sumanth, Asst.Prof, welcomed the participants and introduced the programme to all. In this session students showcased static and working models which can be used for learning various scientific concepts for civil engineering students. The objective was not only to inculcate a scientific attitude and research-mindedness but also encourage the creative and innovation skills of students. It involves students to participate in activities so as to understand the cognitive, affective and psychomotor aspects of the task. In this program students showcased their talents on creativity and innovation.
