### Report on World Wet Lands Day Celebration

World Wetlands Day is celebrated internationally each year on 2 February. It marks the anniversary of the signing of the Convention on Wetlands of International Importance in Ramsar, Iran, on 2 February 1971. World Wetlands Day was first celebrated in 1997. Since then government agencies, non-government organizations and community groups have celebrated World Wetlands Day by undertaking actions to raise public awareness of wetland values and benefits and promote the conservation and wise use of wetlands.

On this regard Department of Civil Engineering conducted an awareness program on **World Wetlands Day** on **2<sup>nd</sup> Feb 2021** under CRANES Student Association at Civil Dept seminar hall.

Ms.S.Supriya, student from IV Civil started the program by giving an introduction speech. Later she invited the HOD of Civil Prof. K.Yugandhar Reddy on to the Dias. He started his speech on World wetlands day and importance of celebrating world wetlands day on every year in February.

Later Ms.K.Navya from IV civil gave her inspirational presentation about how to conserve wetlands.
