

NARAYANA ENGINEERING COLLEGE:: GUDUR

Department of Electrical & Electronics Engineering

FEB- 2019 Events Summary

S. N O	DATE	NAME OF THE EVENT	Involved by	LOCATION	Resource Person
1.	02.02.2019	Industrial Visit to Transformer Repair & Maintenance and 33/11 KV SS SPM Section, APSPDCL Goginenipuram, Nellaturu, Venkatagiri – Gudur Road, SPSR Nellore (DT),A.P	II & III Year Students	Nellatur	Mr.Uday kumar A.E ,APSPDCL Nellatur
2.	16.02.2019	“ASSOCIATION DAY “	I,II, III & IV Year Students	EEE Seminar Hall	Mr.SK.Althaf A.D.E ,APSPDCL
3.	18-02-2019 to 23-02-2019	Certificate Course on “PROGRAMMABLE LOGIC CONTROLLER”	II & III Year Students	CP LAB-I	1.Mr.Sk.Shageer 2.Ms.A.Dhana Lakshmi 3.Ms.R.Yoga Priyanka 4.Ms.K.Indumathi APSSDC , Vijayawada

1. Industrial visit at Transformer Repair & Maintenance and 33/11 KV SS SPM Section, APSPDCL Goginenipuram, Nellaturu,

02.02.2019

The third year and second year students of EEE department went for an Industrial Visit to Transformer Repair & Maintenance and 33/11 KV SS SPM Section, APSPDCL Goginenipuram, Nellaturu, on 02.02.2019. The students were studying transformers in the current semester. The industrial visit to this transformer manufacturing unit was very informative and students could actually see the assembly of cores, primary and secondary windings, the various types of insulation used in the windings, types of protection used, testing, etc., 33/11kv air cooled and oil cooled transformers.

2. “ASSOCIATION DAY “

16.02.2019

In this regard we invited students from various colleges to participate in poster presentation, project/model expo, paper presentation, quiz competition and circuit worksheet challenge. It's a platform to the students to exhibit their innovative ideas, talents and to share their knowledge. Mr. SK. Althaf, ADE, APSPDCL and Mr. SK. Nasuralah, AE, APSPDCL was invited as chief guest. He addressed the students. How the engineering is helpful in various fields.

The session ended with a concluding remark by Dr. V. Raviprasad vice Principal. A total of 100 Students were participated in the given program, the said above course was benefitted for the students those whom were attend the program.

3. “Certificate Course” on “PROGRAMMABLE LOGIC CONTROLLER”

18-02-2019 to 23-02-2019

A Certificate course on “**PROGRAMMABLE LOGIC CONTROLLER**” was organized by the Department of Electrical & Electronics Engineering, at Narayana Engineering College, Gudur. By providing Basics to Students, A programmable logic controller (PLC) is an electronic device used in many industries to monitor and control building systems and production processes. Unlike PCs and Smartphone's, which are designed to perform any number of roles, a PLC is designed to perform a single set of tasks, except under real-time constraints and with superior reliability and performance.

The session ended with a concluding remark by Dr. V. Raviprasad vice Principal. A total of 100 Students were participated in the given program, the said above course was benefitted for the students those whom were attend the program.
