1. National Girl Child Day

24th January -2019

The program was started with the introduction of activities done by women's forum. Women's Forum in charge Mrs. V.Swarna introduced chief guest to the gathering. She addressed the gathering about various schemes introduced by the government to support girl child.

On the occasion Dr.Padmavathi was invited as chief guest of the program and she addressed the gathering of students that in India gradually there would not be good days for girl child because of girls are merely victim of in every situations why of these heinous activities are repeated all over the India. In addition to that she expressed that girl students should be protected with strong law and giving welfare of parents who are responsible for keep watching the behavior of others with girls. So it is the way of control somewhat better for the save of girl child. The program coordinator Mrs.V.Swarna has rendered her good support for conducting such programs to make the grand success and with other faculty members.
