

NARAYANA ENGINEERING COLLEGE:: GUDUR

Department of Electrical & Electronics Engineering

Sept- 2018 EventsSummary

S. N O	DATE	NAME OF THE EVENT	Involved by	LOCATION	Resource Person
1.	02.02.2019	Industrial Visit to Transformer Repair & Maintenance and 33/11 KV SS SPM Section, APSPDCL Goginenipuram, Nellaturu, Venkatagiri – Gudur Road, SPSR Nellore (DT),A.P	II & III Year Students	Nellatur	Mr.Uday kumar A.E ,APSPDCL Nellatur
2.	16.02.2019	Awareness program on “ASSOCIATION DAY –	II, III & IV Year Students	EEE Seminar Hall	Dr.Rami Reddy Sowrabh M.B.B.S.,M.D.(Gen.Med.) Mydhili Hospital ,Gudur
3.	02.02.2019	Industrial Visit to Transformer Repair & Maintenance and 33/11 KV SS SPM Section, APSPDCL Goginenipuram, Nellaturu, Venkatagiri – Gudur Road, SPSR Nellore (DT),A.P	II & III Year Students	Nellatur	Mr.Uday kumar A.E ,APSPDCL Nellatur

1. Refresher Course on “Neural Network and Fuzzy Logic Applications in Electrical Engineering”

01.09.2018

Bridge course was conducted for II, III & IV Year I- Sem EEE students on “**Neural Network and Fuzzy Logic Applications in Electrical Engineering** USING MATLAB was organized by the was organized by the Department of Electrical &electronics Engineering, Narayana Engineering College, Gudur by **Dr.P.Gopi Krishna** ,Professor, Department of ECE, Addis Ababa Science and Technology University, Addis Ababa, Ethiopia.

In this lecture **Dr.P.Gopi Krishna** has clearly explained the importance, need and applications of Artificial Neural Network Implementation using MATLAB for EEE students. He gave simple examples of fuzzy logic in day-to-day life and suggested how they can be implemented in MATLAB The course was conducted two sessions and each session with duration of 50 min.

2. Awareness program on “World First Aid Day – Save Life”

14.09.2018

Narayana Engineering college Gudur National Service Scheme (NSS) and EEE Dept Organized World First Aid Day on 14-09-2018 Event Conduction Duration: 1Hr (11.00 AM to 12.00 PM)

Event Resource Person Details: **Dr.Rami Reddy Sowrabh**, Mydhili Hospital ,GudurMydhili Hospital ,Gudur

The objective of this program the students participated and learn how to give first aid when there is a problem of burning, suicide, heart attack, snake bite, sunstroke First aid is immediate help provided to a sick or injured person until professional help arrives. It is concerned not only with physical injury or illness but also with other initial care, including psychosocial support for people suffering emotional distress from experiencing or witnessing a traumatic event.

3. Industrial visit at ‘ 2.5MW Wind Farm Project’ Narsinhakonda

29.09.2018

From this visit, we got the information and practical knowledge about Power Generation through wind mill and transmission and distribution of power. Student got the knowledge about wind mill, wind turbine, generator. They got the idea how electricity is generated through wind mill and types of generator

and their connection and from the control panel how to take reading and how to manually stop wind mill. About 75 students of Second year & IV year I Semester Electrical & Electronics Engineering Class of NarayanaEngineering college Gudur

We are especially thankful to respected **Sri .V. Ramalingaiah** , District Manager, NREDCAP LT Nellore division because they granted us permission.
