March- 2019 Events Summary

S. N O	DATE	NAME OF THE EVENT	Involved by	LOCATION	Resource Person
1.	08/03/2019	“International Women’s Day Celebration - 2019”	I,II,III and IV Year Students	NEC,Gudur	Mrs.D.Sindura ADE, APSPDCL, SULLURPET
2.	15/03/2019	Guest Lecture on “ Artificial Intelligence “	III Year Students	NEC,Gudur	Er. SUMANTH REDDY Deep Learning Engineer, BlinCam Japan
3.	16/03/2019	National level Technical Symposium – 2019 (NLTS-2019)	I,II,III and IV Year Students	NEC,Gudur	Shri. K Arunachalam Chief Manager, PGCIL, Manubolu, AP-524405
4.	24/03/2019	Awareness programme on “ TB”	II & III Year Students	NEC,Gudur	Dr.Chandras M.B.B.S ,FAIMS,M.Sc(Phy) Medical Officer Govt hospital Gudur SPSRDistrict
5.	31/03/2019	“ Farwell Day”	III & IV Year Students	NEC,Gudur	Dr.V.Ravi Prasad Vice Principal Nec,Gudur

1. “International Women’s Day Celebration - 2019”

08.03.2019

Women’s Forum of Narayana Engineering College was celebrated “International Women’s Day-2019” for girl students on 08.03.2019. Around 98 girl students, faculty and non-teaching staff have actively participated in this program. The Program started with a welcome note by Women's forum convener Mrs.V.Swarna,. She briefed the students about the activities of NECG women's forum. She addressed the gathering about **“Think equal, build smart, and innovate for change”** .

She expressed that the aim of celebrating this day is to help nations worldwide eliminate discrimination against **women**. It also focused on helping **women** gain full and equal participation in global development. IWD is to celebrate the year to celebrate the social, economic, cultural and political achievements of women that supporting women’s equal representation in leadership positions in peacemaking, in communities, in politics, in business and in religious institutions, will result in a more just, peaceful and secure world. Chief Guest of the day Mrs.D.Sindura started her speech on women’s contribution to the development of nation.

2. Guest Lecture on “Artificial Intelligence “

15.03.2019

The Guest Lecture started with an introduction on what is artificial intelligence and its importance in the present times. Mr. K SUMANTH REDDY discussed the evolution of five generations of computer languages. he told us that at present, artificial intelligence is part of the fifth generation of computer programming languages. he also discussed concepts like Heuristics, Natural Language Processing, Knowledge representation, Automated reasoning, Machine Learning and Expert Systems. While explaining the important applications of Artificial Intelligence, she informed the enthusiastic audience that in the coming days, AI will become an important part of our lives. It is already being used in voice recognition, speech recognition; Image processing, computer vision and robotics.

3. Awareness programme on “TB”.

24.03.2019

1) Brief outline of key issues and challenges addressed in the event

World TB Day commemorates the date in 1882 when Dr. Robert Koch announced his discovery of Mycobacterium tuberculosis, the bacteria that causes TB. This year’s World TB Day theme “It’s Time” highlights the importance of a renewed commitment to TB elimination and the timely need to expand testing and treatment of latent TB infection.

World TB Day on March 24th in every year is designed to build public awareness on T.B. tuberculosis today remains an epidemic in much of the world, causing the deaths of nearly one-and-a-half million people each year, mostly in developing countries. In this connection, the

Dr.Chandras M.B.B.S, FAIMS, M.Sc (Phy) Medical Officer Govt hospital Gudur SPSRDistrict NSS unit in association with EEE Department organized a meeting on 24.03.2019 at EEE seminar Hall .

2) Key messages, outcomes, recommendations

Key Points:-

- ✓ Tuberculin skin test and screening for LTBI((Latent tuberculosis infection)
- ✓ LTBI and drug-resistant TB exposure
- ✓ LTBI and risk of tuberculosis in transplant recipients
- ✓ Regulating and defining antibiotic resistance breakpoints

4. National level Technical Symposium – 2019 (NLTS-2019)

16.03.2019

The “National level Technical Symposium - 2019” organized by the department of EEE was conducted successfully on 16th March 2019. The Chief Guest was Sri. Arunachalam, Chief Manager, PGCIL, Manubolu, AP. Four Technical events were successfully conducted with participants from ASIT, NBKRIST, CREC, ATMKC and NECN. The participation in all the four events by our college students are over whelming.

4. “Farwell Day”

31.03.2019

Farewell party was organized for the B.Tech students at Seminar hall, at 10 AM on 31 March 2019. The function began with the Sarasvati Pooja and felicitation of Dr. J. a.baskar (Head of Department). Later department has played a video clip for students in which all the memories of students has been recalled. Sai student of BTech performed a solo song. Also students shared their views and experience about the department. Dr. J. a.baskar Head of EEE Department wished good luck to the final year students for their future. He also expressed his hope that students will continue holding best positions in upcoming university exams. Sir motivated students by sharing his own experience in his life. Also stated good student can do nothing in the absence of a good teacher and a teacher feels bad luck when he/she does not get a good student. It is teacher’s responsibility that he/she has to bring a student on the right track however; it is also the responsibility of a student to follow his/her teacher orders to be on the right track. They need to support each other equally. Our students are very disciplined, well mannered, punctual and well responsive. They have well contributed to this college for years by helping the staff, organizing committee and other members of the college.
