1. “World Student’s Day”

15.10.2019

Narayana Engineering College, Gudur National Service Scheme Organized World Student’s Day on 15-10-2015, The world celebrates [Dr A.P.J. Abdul Kalam](#)’s birth anniversary as student’s day. In honour of the man who always wished to be remembered as a teacher and who has made himself approachable to more than 18 million youngsters over the last 15 years of his life, [United Nations](#) recognized Dr. APJ Abdul Kalam's 79th birthday as the World Student's Day, in the year 2010.

Dr. Kalam, the humble man who believed youth to be one of modern India's greatest strengths, has won the hearts of millions of children as well as grownups alike. He had encouraged and inspired anyone who interacted with him to dream big and work hard. That is the same reason why India's Missile Man and former President were seen as a role model by many people across the country.

Conclusions by the Chair of the event

On the occasion departed President Dr. Abdul Kalam’s birthday essay-writing competitions are being conducted for all EEE Departments students in Narayana Engineering College Gudur
At 4.00 PM on 15th October, Winners will be given Prizes. Thoughts on Dr. Abdul Kalam’s Progressive thinking will be delivered by the Staff members to the students

2. Object Oriented Concepts through Java

21st – 25th

Department of Electrical and Electronics Engineering have organized a 30+ hours Value added course on “**Object Oriented Concepts through Java**”. This course is conducted by professional expert from “Department of CSE, Narayana Engineering College, Nellore”. This course is delivered during the period from 21st October 2019 to 25th October 2019. A total number of **57** students from EEE department have benefited. The five days sessions were handled by Dr.B.Suneel Kumar, Department of CSE, Narayana Engineering College, Nellore. The main objective of the course is to enhance the skills of the students in programming and offer best class training in latest trends of programming in JAVA.
