

FRESHMEN ENGINEERING DEPARTMENT

REPORT

SUBMITTED ON CONDUCT OF A CONTEST ON REAL TIME APPLICATIONS IN MATHEMATICS ON THE EVE OF NATIONAL MATHEMATICS DAY (22.12.2021)

Freshmen Engineering Department was conducted a contest on Real Time Applications in Mathematics for all first year B Tech students on the eve of National Mathematics Day (22.12.21) in memory of the great mathematician Srinivasa Ramanujan's birthday. The 368 students were registered and participated for this contest (Separate sheet attached). Mr. C. Kalyan kumar, Assistant Professor in Mathematics prepared the questions for the contest. Eight were short listed out of 368 students.

We collected registration fee of Rs.20/ from each of the registered student to distribute the prizes and certificates. The total amount is Rs.7360/ received from 368 students.

We celebrated the function in the evening in memory of the great genius Srinivasa Ramanujan with first year B Tech students and faculty of FED. The Principal Dr V Ravi Prasad addressed the gathering. Dr K Vishwaksena Reddy Vice Principal and Mrs Y Neeraja, HoD of FED are attended the function.

Earlier Dr C. V. Seshaiyah Professor of Mathematics gave a brief introduction about Srinivasa Ramanujan and his great work.

Dr V Ravi Prasad, Principal, Dr K Vishwaksena Reddy, Vice Principal and Mrs. Y. Neeraja, HoD of FED are distributed the prizes for the winners.

Mr. M. Venkateswarlu Assistant Professor in Mathematics gave a Vote of Thanks.
