DEPARTMENT OF MECHANICAL ENGINEERING

Monthly Activities Conducted for the month of March

March -2019:

S. No.	Date	Activity	Resource Person	Involved By
1.	11-03-2019 To 16-03-2019	Value added course on"ROBCAD"		I and III Year students
2.	23-03-2019	National Level Technical Symposium	-----	All Year Students
3.	31-03-2019	Farewell	-----	All Year Students

ACADEMIC YEAR: 2018-2019

On 16th February,2019 All year students from mechanical engineering department attended the Guest lecture

DESCRIPTION:

Mr. V. Praveen Kumar is a Head of MIS, CWD-Indira Gandhi Center for Atomic Research, Kalpakkam, given a lecture on **Overview of India's nuclear program and Fast breeder reactor technology**. nuclear power programme was formulated by Homi Bhabha in the 1950s to secure the country's long term energy independence, through the use of uranium and thorium reserves found in the monazite sands of coastal regions of South India. The ultimate focus of the programme is on enabling the thorium reserves of India to be utilized in meeting the country's energy requirements. And also Thorium is particularly attractive for India, as it has only around 1–2% of the global uranium. It will helpful for the students carrier.

TITLE: Guest lecture on “Entrepreneur Development”

DATE: 23-2-2019

ACADEMIC YEAR: 2018-2019

On 23rd February,2019 All year students from mechanical engineering department attended the Guest lecture

DESCRIPTION:

Mr. Mr.G.Murali is Assistant director of industries,Nellore. Given a lecture on “**Entrepreneur Development**”. He explained enhancing an existing potential or asset through the process of learning and application. It is a process of evolving one’s skills in a systematic manner. Therefore, same goes for the process of entrepreneurship development. But before we dive headfirst into the process of entrepreneurship development. Entrepreneurship development is basically the process of improving the skill set as well as the knowledge of the entrepreneurs. This can be done through various methods such as classroom sessions or training programmes specially designed to increase the entrepreneurial acumen.
