Department of ECE

Date: 12.03.2020.

The Career Guidance Cell of department of ECE has organized a career guidance program on “Job Opportunities in Government Sector” on 12.03.2020. The resource person for the program was Mr. N. Bhakthavatsala Reddy, Director, IACE, and Hyderabad.

The resource person addressed the students about the importance of Government jobs, writing Competitive exams, features and important subjects to be prepared to qualify the exams. The resource person shared bulk information on the nature of exam, exam pattern, syllabus and the important dates of released notifications.

Government jobs ensure that an employee's future is secured even after retirement as opposed to a private sector job. Also, various government sector jobs in banking and railways continue to provide benefits like travel, stay or medical benefits to employees even after their retirement. Government jobs offer unparalleled job security.

Government employees are rarely fired on basis of their performance. While layoffs based on performance is a common occurrence in the private sector. Government employees get to enjoy good post-retirement benefits. PF, Gratuity and salary arrears make their post-retirement life a tension free affair!
