NSS UNIT & Department of Physical Education of Narayana Engineering College, Gudur conducted National Nutrition Week in association with MPUP High School, Potupalem on 03-09-2021. Nutrition is an issue of survival, health and development for current and succeeding generations. Child born underweight have impaired immune function and increased risk of diseases such as diabetes and heart diseases in their later life. Malnourished children tend to have lower IQ and impaired cognitive ability, thus affecting their school performance and then productivity in their later life. It has to be realized that the nutritional health and all age groups represent say National Economic Asset. Our Students distributed

nutrition related material to people and school children's. 45 members of students and 9 members of staff have participated in this programme.
