REPORT

Department of Civil Engineering has organized a guest lecture on 3rd August 2019 at Civil Seminar hall. As a resource person, Dr. YELLA RATHAIAH garu Scientist (Rtd.), Assam Agricultural University, Assam.

Dr. YELLA RATHAIAH, explained the importance of water, various methods of conservation to save water bodies and various types of ground water improvement techniques ; he also enlightened the students regarding their carrier. He explained about the value of the water, the problems which are going to be faced by the future generations, if we continue the wastage of natural resources.

Natural resources occur naturally within environments that exist relatively undisturbed by mankind, in a natural form. A natural resource is often characterized by amounts of biodiversity and geo-diversity existent in various ecosystems.

The youth who benefit from the message of water conservation should take up the responsibility of spreading the message.

All the II,III & IV B. Tech Students and Faculty of Civil Engineering department were attended the guest lecturer at Civil Seminar hall.

At the end of the session, Dr. K. YUGANDHARA REDDY Professor and HOD of Civil Engineering and Mr. K. Siva Kumar Associate Professor of Civil Engineering felicitated to Dr. YELLA RATHAIAH with a memento and shawl.
