Faculty Development Program (FDP-2019)

On

“INNOVATION IN NON-DESTRUCTIVE TESTING METHODS”

A one week faculty development program on “**INNOVATIONS IN NON-DESTRUCTIVE TESTING METHODS**” was held at NEC, Gudur from June 10th to 15th, 2019. The FDP aims to provide opportunities to faculty members to enrich their teaching skill. The Program also intends to develop the knowledge of participants for active and cooperative learning with advanced tools in the relevant field for inculcating learning values in students and guiding and monitoring their progress. The FDP was attended by 25 participants from our collage and various engineering colleges.

The event was coordinated by:

Prof.K.Yugandhar Reddy, HOD of Civil Engineering Department, *NECG*

INAUGURAL SESSION:

The esteemed personalities present on the inauguration of the Program:

1. Mr. T. Thanga Raju (Resource Person) Technical Director ,Excel Industrial Services, Chennai
2. Dr V. Ravi Prasad, Vice Principal, NEC, Gudur.
3. Prof.K.Yugandhar Reddy, HOD of Civil Engineering Department.

Prof.K.Yugandhar Reddy, Coordinator of this FDP welcomed all the respected dignitaries and participants. He explained about the current trends in technical education and need of adoptability with the changing global trends across the world. He explained the outcomes from mismatched technical education and industry demand with the help of various examples globally.

Dr V. Ravi Prasad shared his views with the faculty participants that if faculty wants to develop themselves and their students, then attending such faculty development Programs are necessary, which would enhance their skills of teaching concepts practically.
