

The Department of Computer Science and Engineering **Women's Forum** of Narayana College of Engineering, Gudur has conducted a guest lecture on **Women in Engineering & Related Fields** in association with **ISKON** on **23rd September 2019** by, **Mr.M.Bhanu Prakash, Motivational Speaker,Mumbai**. Resource person has been introduced by the HOD **Dr.P. Venkateswara Rao** & HOD addressed the students on significance of the Guest Lecture..

The primary objective of Women in Engineering & Related Fields guest lecture is to compare the differences in knowledge and practices regarding Engineering & Related Fields students of NECG along with assessment of any perceived barriers.

Resource person conclude that the knowledge in Engineering & Related Fields of NECG students suggest that superior knowledge about Engineering & Related Fields does not necessarily result into better practices. Totally 71 cse-1 & II girls students participated in this guest talk.
