

Guest Lecture on Women in Engineering & Related Fields under Women's Forum

23-09-2019

The Department of Computer Science and Engineering Women's Forum of Narayana College of Engineering, Gudur has conducted a guest lecture on Women in Engineering & Related Fields in association with ISKON on 23<sup>rd</sup> September 2019 by, Mr.M.Bhanu Prakash, Motivational Speaker, Mumbai. Resource person has been introduced by the HOD Dr.P. Venkateswara Rao & HOD addressed the students on significance of the Guest Lecture..

The primary objective of Women in Engineering & Related Fields guest lecture is to compare the differences in knowledge and practices regarding Engineering & Related Fields students of NECG along with assessment of any perceived barriers.

Resource person conclude that the knowledge in Engineering & Related Fields of NECG students suggest that superior knowledge about Engineering & Related Fields does not necessarily result into better practices. Totally 71 cse-1 & II girls students participated in this guest talk.
