Department of Electronics and Communication Engineering

Work-Life Balance-Women Engineers

Date: 04-01-2019

Awareness program on Work-Life Balance-Women Engineers conducted by Department of ECE under **women's forum on 4th January, 2019**. The department has organized various programs for girl students. 70 no. of ECE students were participated in this program from all six sections. Chief Guest for this program was Mrs. P. Bhagya Lakshmi, Advocate, Gudur. She addressed all the girl students about work balance in life for the young women engineers.

NARAYANA ENGINEERING COLLEGE::GUDUR

Although work-life balance programs have become increasingly popular through the years, there is still a need to understand the contributions of these programs on the students and women employee performance. The purpose of this program was to explore the work-life balance programs that nonprofit students utilize to improve girl students performance at our organization.
