

**31<sup>st</sup> March, 2023**

**OUTREACH PROGRAM UNDER CEA**

Narayana Engineering College (Autonomous), Gudur, Department of Electrical and Electronics Engineering organized an outreach program under the auspices of CEA. Department of Electrical and Electronics Engineering (2nd & 3rd EEE) students distributed food items to the old age peoples in collaboration with "My Friends Association" at Gudur on 31-03-2023. Principal Dr. V. Ravi Prasad, Vice Principal Mr. Vishwaksena Reddy, Head of Department Dr. K. P. Prasada Rao, and A.O. Mr. Konda Reddy started this program and thought that the students should acquire humane values and morals/ethics by organizing activities related to the society. National Service Scheme (NSS) Head Mr. N. Koteswara Rao said that these types of activities organized under the Center for Extension Activity (CEA) are very useful for the students to meet and greet the old age peoples, how to behave with the old age peoples and also learn about social morals/ethics.
