A Report on

“An Awareness Program on Sexual Harassment and complaint process”

Departments of MBA and MCA organized “An Awareness **program on Sexual Harassment and complaint process** “for girl students under women’s forum on 15-11-2018 at MBA seminar hall. Total 73 MBA and MCA girl students have participated along with women staff in this program.

Mr. P. Gopal Reddy (Civil and Criminal Lawyer, Gudur) is the chief Guest of the program. He discussed valuable information about complaint process on sexual harassment to girl students. He also told harassment is a form of gender discrimination which violates a woman’s fundamental right to equality and right to life, guaranteed under Articles 14, 15 and 21 of the Constitution of India and also told that sexual harassment not only creates an insecure and hostile working environment for women but also impedes their ability to deliver their duties in today’s competing world.

He also discussed about elimination of all Forms of discrimination against women and India’s Law on Prevention of Sexual Harassment. From this program girl students gained knowledge about complaint process on how to avoid sexual harassments.
