1.9	Vision, Mission & Core Values	Vision of the Institute: To be one among the premier institutions of the country for professional education in producing technocrats with competent skills, Innovative ideas and ethics to serve the nation. Mission of the Institute: * To provide an environment most conducive to learning with state of the art infrastructure, well equipped Laboratories and research facilities to impart high quality technical education. * To emphasize on innovative ideas and creative thinking and prepare them to meet the growing challenges of the industry. * To inculcate the leadership qualities, multi-disciplinary approach, ethics and lifelong learning in graduates to serve the diverse societal needs of our nation. Core Values: NECG focused on eight core values detailed below: 1. Contributing to National Development: Contributing to National development has always been an implicit goal of NECG. Serving the cause of

		social justice, ensuring equity, increasing access to higher education , human resource development and capacity building of individuals, to cater to the needs of the economy, society and the country as a whole, thereby, NECG contributing to the development of the Nation. 2. Fostering Global Competencies among Students: With liberalization and globalization of economic activities, the need to develop skilled human resources of a high caliber is imperative. Therefore, NECG is preparing the students to achieve core competencies, to face the global challenges successfully innovative, creative and entrepreneurial in their approach. Towards achieving this, NECG established collaborations with industries, network with the neighborhood agencies/bodies and foster a closer relationship between the “world of competent-learning” and the world of skilled work”. 3. Inculcating a Value System among Students: Although skill development is crucial to the success of students in the job market, skills are of less value in the absence of appropriate value systems. In India, with cultural pluralities and diversities, it is essential that students imbibe the appropriate values commensurate with social, cultural, economic and environmental realities, at the local and national level. NECG shouldering the responsibility of inculcating desirable value systems among students. 4. Promoting the Use of Technology & Innovation: Technological advancement and innovations in educational transactions have to be undertaken by all, to make a visible impact on academic development as well as administration. To keep pace with the developments in other spheres of human endeavor, NECG has enriched the learning experiences of their students by providing them with state-of-the-art educational technologies including Information and Communication Technologies (ICT). NECG established Innovation Incubation Center and Entrepreneurship Development Cell to encourage students & Faculty for Innovation. 5. Quest for Excellence: The Institute is committed to excellence in all spheres of its activities, and through internal and external reviews, and will work towards continuous improvement. The Institute will demonstrate excellence by our people, programmes and outcomes, as well as by the quality of decisions and actions recognized through awards and honors. This ‘Quest for Excellence’ started with the assessment or even earlier, by the establishment of

To,
The Principal
Narayana Engineering College,
Dhurjati Nagar, Gudur-524101, Nellore Dt.,
Andhra Pradesh

Subject: Accreditation status of programs applied by Narayana Engineering College, Dhurjati Nagar, Gudur-524101, Nellore Dt., Andhra Pradesh.

Sir,

This has reference to your application I.D. No. 6491-07-02-2022 seeking accreditation by National Board of Accreditation to UG Engineering programs applied by Narayana Engineering College, Dhurjati Nagar, Gudur-524101, Nellore Dt., Andhra Pradesh.

2. An Expert Team conducted onsite evaluation of the programs from 03rd to 05th February, 2023. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier II June 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. upto 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Narayana Engineering College, Dhurjati Nagar, Gudur-524101, Nellore Dt., Andhra Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Narayana Engineering College, Dhurjati Nagar, Gudur-524101, Nellore Dt., Andhra Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.
