Report on Women Empowerment Programmes/Schemes

The Women's Forum of Electrical and Electronics Engineering, Civil and Mechanical Engineering departments have conducted a Guest lecture on **“Women Empowerment programmes/Schemes”** on 25/02/2020 at EEE Seminar Hall. Mrs. Sarangam. Sulakshmi, General secretary, SUNEETHA SEVA SAMSTHA, Gudur, and Yaram. Manjula, Ex Municipal Chairperson, Gudur, were invited as Resource persons. They were introduced to the gathering by Miss Ch. Lakshmi Prasanna, Asst. Professor, CE Department.

Mrs. V. Swarna, Convener of the program had addressed the students on significance of the Guest lecture. Mrs. Sarangam. Sulakshmi said that, women must be given equal opportunities in every field. Moreover, they must also be given equal pay. We can empower women by abolishing child marriages. Countries around the world including India are emphasizing on women empowerment.

Mrs. Yaram Manjula expressed her views about the various empowerment schemes in India. Ministry of women and child development, Govt. of India, introduced many women empowerment schemes such as “Beti Bachao, Beti Padhao”, “Women help line schemes”, “Ujjwala”, “Nari Shakthi Puraskar”, “SWADHAR Greh (A scheme for women in difficult circumstances)” and so on.

28 girl students from the Dept. of EEE are attended and they feel that “This guest lecture is very informative and got exposure about various women empowerment schemes”. At end of the session resource persons are felicitated.
