

NARAYANA ENGINEERING COLLEGE::GUDUR

FRESHMEN ENGINEERING DEPARTMENT

“International day for the Elimination of Violence against Women “

The Department of Freshmen Engineering, Women Forum wing of Narayana College of Engineering, Gudur has conducted “Extempore Competition” “International day for the Elimination of Violence against Women” on 25th November 2021.

Extempore Competition topics :

- Types of violence against women and girls :
- Ending violence against women.
- Relationship abuse
- Domestic violence.
- Making cities safer for women
- Psychosocial support to eradicate violence against women.

Introduction :

Nearly one in three women have been abused in their lifetime, but only one in ten women said that victims would go to the police for help. Stopping this violence starts with believing survivors adopting comprehensive. To rise, this year's Theme is : “ **Orange the world : End Violence against women** “ now in which Orange represents **bright future free of violence against girls.**

Event Description :

Dr. V.Ravi Prasad, Principal of Narayana Engineering College Gudur, started the event with his valuable words, he has focused on the problems that women face now-a-days in a society he also given awareness on a protection for Women for all B.Tech girl students after that registered participants were given two minutes time to think over the topic given by judges and 5 minutes to convey their thoughts about the given topic, winners were decided on the basis of the guidelines that the judge setting criteria contains.

Conclusion :

From this event we made attempt to bring awareness to students about the current situation on safety of women and girls and also made many to realize how important to have knowledge on self defense.

Acknowledgement :

Our honorable Principal Dr. V. Ravi Prasad appreciated all the participants for participating and sharing their thoughts and also congratulate the winners. Mrs. Y.Neeraja, HOD Department of FED, has proposed vote of thanks.
