

**REPORT ON MOTHER'S DAY CELEBRATIONS**

Women's Forum of FED celebrated Mother's Day on 10<sup>th</sup> May, 2022 At EEE Seminar hall.

Women's Forum Convener Mrs.V.Swarna started the session. She addressed the gathering about the importance of Celebrating Mothers Day. She told that mother's day is celebrated to honour motherhood and to commemorate the love and care of a mother.

The day is observed on different dates in different parts of the world; however, mostly the celebrations take place in the months of March or May. Around 12 students perform different activities on the importance of mother.

G.Lalithya from CSE present an AV about mothers. C.SD Bhuvaneshwari from EEE gave a speech on the importance of mother & her role in shaping her children future.

Dr.V.Raviprasad, Principal Addressed the students that Mother's day has been particularly dedicated to celebrating the power of a mother in all the odd circumstances she takes care of her children in the best possible way. She forgets her own dreams so that her child can fulfil his/her dreams true.
